

# Changing Times - Easter 2010

[TransitionNarberth.org](http://TransitionNarberth.org)

## **Support needed for Plants Sale!**

The SPAN plants sale in Narberth is approaching fast and we need your help!

The sale is now just over a month away, and we need more commitments and donations of plants in ensure our stall is well stocked. An attractive stall on the 1st May will help us to raise funds for Transition Narberth and provide an opportunity to meet visitors and members of the community and publicise Transition.

As well as plants we are also hoping to sell recycled ceramic pots and gardening books. So if you're not feeling particularly green fingered this year, please have a rummage through your shed and bookshelves to see what you can donate. .

If you have any plants, ceramic pots or gardening books you would like to donate to our stall, please, phone Chris on 01437 563 936, or Linda on 01437 563 468, before the day. Thank you, in anticipation!

## **Communications**

Mike Ashbridge has become Communications Officer, assuming responsibility for communication and press contact from Chris Lawrence. Mike can be contacted at [communications@transitionnarberth.org](mailto:communications@transitionnarberth.org) or 07810 305542.

**Response to the planning application for a new Cooperative supermarket in Narberth.**

Planning reference 09/0997/PA  
All info posted here

### **Annual General Meeting 2010**

In June, Narberth Transition will be holding its 2010 AGM. At the meeting all the exiting posts (Chairman, Treasurer, Secretary and Communications Officer) will be up for re-election. If you are interested in putting yourself forward for election to one of these posts please contact [communications@transitionnarberth.org](mailto:communications@transitionnarberth.org)

### **Food and Allotments Group**

If you are interested in growing locally, and how we will feed ourselves in a world without oil, then come along to the next meeting 7th April 7.30 p.m. at the Dingle Club, Jesse Road, Narberth.

### **Hearts and Minds Group**

Next meeting 22nd April. By gaining insights into the deeper connections between us and all living things, we can start to understand what truly sustainable living might comprise. Without this examination of the deepest aspects of unsustainable behaviour, any actions to resolve climate change / peak oil might be addressing symptoms rather than causes.

How do we see the world?

Can it be seen in a different way?.

Can you see the "box" that we all live in?

Can we move to a healthier way of living?

Explore the psychology of change.

The more we understand our world, the easier the transition will be!!

Next meeting, 22nd April. 7.30pm at RAOB Club, Narberth

If you want to know more, or join in, then contact Chris on 01437 563 936.
