

Orchard Management Course

With

Paul Davis of Dolau-hirion Fruit Trees

Hosted by

Nant-y-Cwm Steiner School, Llanycefn

Come and learn the art and craft of fruit orchard management with Paul Davis, expert in fruit trees, particularly varieties local to SW Wales.

Subjects covered will be: where to plant orchards, varieties, grafting, rootstocks, planting, manuring, aftercare, pruning, pests, diseases, picking and storing. Practical work will involve planting and the pruning of the many mature trees in our school orchard.

Saturday 12th November, (10am-4pm)

Nant-y-cwm Steiner School, Llanycefn, SA66 7QJ

£20 per person – places limited so booking is essential!

Bring your own lunch. Tea coffee and cake provided!
Bring your own tools if you have them (secateurs and pruning saw) though there will be some spare.
